

Kavindu Dissanayake

- ✓ Computer Science Undergraduate from University of Jaffna
- ✓ Full Stack Developer

PROFILE

As a highly motivated Computer Science undergraduate at the University of Jaffna, I possess foundational knowledge in full stack technologies, including hands-on experience developing small-scale web applications (e.g., MERN stack). I am a dedicated, fast learner with a strong academic foundation in CS principles. I am eager to apply my skills, contribute to real-world projects, and rapidly grow my expertise in a professional environment.
